Your account needs to be validated by a recognized person on the platform. This recognized person is known as a [supervisor](#). If you wish to become a supervisor, please follow the [contact information](#).

I have carefully read the [Terms of Service](#), which include the Privacy and Data Protection Terms of Use, and fully agree and undertake to comply with all provisions therein by checking this box.

When continuing, you agree that the [Idiap Research Institute, Rue Marconi 19, 1920 Martigny, Switzerland](#) processes personal information about you, including your IP address, for the purpose of your registration and to analyze the use of the platform. Read more about our Privacy policy and Data Protection at our current [Terms of Service](#).

- Choose your user name
- Fill up the form with your relevant detail.
- For the ‘**Supervisor Username**’ you should add “**aczajka**” which is the login name of Dr. Czajka (co-organizer).
- Once you sign up, the organizers will be notified, your account will be activated and you will be ready to set up your experiment for the competition.

If you have problems with setting up your BEAT account, please ask us at datasets@livdet.org
